

At Players Edge

Your child, regardless of skill level, will leave our week of camp stronger in their skating, stick-handling, passing, shooting and overall knowledge of the game. As we enter our **28th summer**, we still have the same goal...to bring one of the best hockey experiences to your child, in your arena, at an affordable price.

Players Edge limits the number of camps we conduct each summer to be sure you get our top staff of professional instructors. **Head Instructor Mark Catron will be on ice every session of every camp!**

When you attend Players Edge, you get all the "specialized" camps in one week. We provide true power skating technique, stickhandling moves and situations that are at game speed, and all the shooting situations a game offers. Our players and goalies are videotaped each day in individual skills and game situations.

Each Player/Goalie receives a Report Card prepared by their instructors. At Players Edge, you WILL "GET THE EDGE"!

A Day At Camp

2 ON-ICE SESSIONS PER DAY

Session 1: Focus on Individual Player Skills (skating, passing, shooting, stickhandling).

Session 2: Focus on Team Skills and game situations, including controlled scrimmage each day. (1-1's, 2-1's, battle drills, etc.)

DRYLAND/OFF-ICE TRAINING

Includes: Circuit training with Powerchutes, hand/eye coordination stations, slide boards, foot speed drills, team handball and core strength stations.

CLASSROOM & VIDEO

Includes talks on equipment, goal setting, nutrition, and game prep. All students are videotaped on both individual skills and game situations. Instructors use this class time to show and make corrections of that video.

On-Ice Sessions

Our Competitive stickhandling drills and "protect the puck" situations allows for faster puck handling decisions at game speeds. Players Edge "Shoot to Score" technique breaks down each shot into easy to learn and improve steps. Our shooters work on power, accuracy and quick release!

Powerskating

With True Powerskating, high speed edge work, belts and ropes, you'll improve technique as well as stride length, leg power and quickness. Each On-Ice session includes Powerskating technique and game speed drills for improvement.

Dryland Training

Players Edge Off-ice training is geared to improve On-ice skills. Our Slide Boards, Powerchutes, reaction balls, circuit training, "juke" ropes, hurdles and games such as Team Handball will help improve On-ice movement and communication. We add quickness, foot speed and agility to our dryland sessions.
